OTHER SKILLS AND EXPERIENCE

As a result of my bar experience, I've spent years leading teams of between 8 and 15 people in daily restaurant duties. I am able to successfully complete many tasks at once in a fast-paced environment, I have excellent verbal communication skills, I keep calm under pressure, and I am very detail-oriented. Additionally, I am able to comfortably work as part of a team, but I am also quite capable of working alone. I'm a self-starter and highly self-reliant. I work best in a results-driven environment, and I am quite comfortable being judged on the strength of my work.
